NOTE VERBALE DATED 16 JUNE 1994 FROM THE PERMANENT MISSION OF MALTA TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

The Permanent Mission of Malta to the United Nations presents its compliments to the Secretary-General and has the honour to report on measures instituted by Malta to implement Security Council resolution 917 (1994), adopted on 6 May 1994.

The Government of Malta has brought to the attention of all ministries and parliamentary secretaries the provisions of resolution 917 (1994) with a view to its effective implementation. In this regard, reports received from ministries and departments confirmed that the measures contemplated in this and the other relevant resolutions are being fully implemented.

Legal Notices Nos. 42, 44, 45, 52 and 72 of 1992 already covered the Security Council sanctions set out in paragraphs 2 to 11 of resolution 917 (1994) and other relevant resolutions. Furthermore, the Malta Maritime Authority has, through the Merchant Shipping Directorate, issued a notice (MSD notice No. 8) directed to all Maltese registered ships, ordering the implementation of the sanctions as described and warning of action which will be taken if any Maltese-registered ship violates them. The Ports Directorate has taken measures not to allow any transshipment of goods originating from Haiti or directed to Haiti. Instructions have also been issued to Air Traffic Control restricting movements of aircraft between Malta and Haiti.
